Early Childhood Education  
and English Language

**Yarlini Mahendrarajah: graduated from ICL Business School with the National Certificate in Early Childhood Education and Care in January 2010.**

I am Yarlini Mahendrarajah from Sri Lanka. My friends call me Thanga. I have been studying the ICL Early Childhood Education Level 5 course.

I was very nervous at first, because English is my second language. But the teachers taught us patiently, always encouraging us and they are very nice.

I successfully finished my course. Now, I have a 2 year work visa and I'm working full time at Kids Connection Daycare in Mangere in Auckland.
